TO WHOMSOEVER IT MAY CONCERN

This is to certify that **Sayan Mandal** has successfully completed his internship at **Ambula** as a **Java Backend Developer Intern** from **June 1, 2025 to July 31, 2025**.

During his internship, Sayan worked extensively on backend development using **Java** and **Spring Boot**. He was involved in building and integrating **RESTful APIs**, working on **microservice-based architecture**, and contributing to live projects related to healthcare platforms.

He demonstrated:

- Strong understanding of **Spring Boot**, **Java OOPs**, and **dependency injection**
- Hands-on experience with **API development and integration**
- Familiarity with tools like **Postman**, **Git**, and basic **SQL**
- Good debugging, collaboration, and version control practices

Sayan was quick to learn, eager to contribute, and consistent with deadlines. He proved to be a motivated and sincere individual with a strong interest in backend development.
We wish him all the best in his future endeavours.

Sincerely,
